PETITIONING THE COURT

To remove the condition of supervision as follows:

- 24 You shall reside in a residential reentry center (RRC) for a period of up to 180 days. Your participation in the programs offered by the RRC are limited to employment, education, treatment, and religious services at the direction of your supervising officer. You shall abide by the rules and requirements of the facility.

CAUSE

Mr. Campisi was placed with his mother on home confinement by the Bureau of Prisons at the time that he was to be placed at the RRC as a public law placement. At the time, the Bureau of Prisons denied the offender placement because he was already on home confinement at his mother's residence. Mr. Campisi is currently living at his mother's residence, and he has completed a substance abuse evaluation which does not recommend treatment. Therefore, it is respectfully recommended that the above special condition be removed.

Mr. Campisi has signed the attached waiver of hearing after being advised of his right to a hearing before Your Honor and advice of counsel.

I declare under penalty of perjury that the foregoing is true and correct.
